When and Where to File

You should file in the Northern District if you were convicted and sentenced in one of these counties: Alameda, Contra Costa, Del Norte, Humboldt, Lake, Marin, Mendocino, Monterey, Napa, San Benito, Santa Clara, Santa Cruz, San Francisco, San Mateo and Sonoma. You should also file in this district if you are challenging the manner in which your sentence is being executed, such as loss of good time credits, and you are confined in one of these counties. Habeas L.R. 2254-3(a).

If you are challenging your conviction or sentence and you were not convicted and sentenced in one of the above-named fifteen counties, your petition will likely be transferred to the United States District Court for the district in which the state court that convicted and sentenced you is located. If you are challenging the execution of your sentence and you are not in prison in one of these counties, your petition will likely be transferred to the district court for the district that includes the institution where you are confined. Habeas L.R. 2254-3(b).

29. No. 8

1 Complete all applicable questions in the proper blank spaces. If you need additional space to
2 answer a question, you may attach additional blank pages. Make clear the question to which any such
continued answer refers.

3 Only one sentence or conviction may be challenged in a single petition. If you challenge more
4 than one, you must do so by separate petitions.

5 **V. After Petition Is Filed**

6 You will be notified as soon as the court issues an order. It is your responsibility to keep the
7 court informed of any changes of address to ensure that you receive court orders. Failure to do so may
result in dismissal of your suit.

8 **VI. Inquiries And Copying Requests**

9 Because of the large volume of cases filed by inmates in this court and limited court resources,
10 the court will not answer inquiries concerning the status of your case or provide copies of documents,
except at a charge of fifty cents (\$0.50) per page. You must therefore keep copies of all documents
submitted to the court for your own records.

UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

INSTRUCTIONS FOR FILING A PETITION FOR A WRIT OF HABEAS CORPUS
BY A PERSON IN STATE CUSTODY UNDER 28 U.S.C. §§ 2254

I. Scope of 28 U.S.C. §§ 2254

You may file a petition for a writ of habeas corpus under 28 U.S.C. §§ 2254 if you are in custody pursuant to the judgment of a state court in violation of the federal Constitution or federal laws. You may challenge either the fact or duration of your state sentence; however, any challenge to violations of the federal Constitution or federal law that affects the conditions, as opposed to the fact or duration, of your confinement should be brought in a civil rights complaint under 42 U.S.C. §§ 1983. If you want to file a civil rights complaint under 42 U.S.C. §§ 1983, you may do so on forms provided by the clerk of the court.

Note that a petition for a writ of habeas corpus under 28 U.S.C. §§ 2254 will not be granted unless it appears that you have exhausted the remedies available in state court.

II. Filing a Petition

To start a habeas action, you must send the court the following items: (1) an original petition and (2) a check or money order for \$5.00 or an original Prisoner's Application to Proceed In Forma Pauperis. In addition to these instructions, this packet includes a petition for a writ of habeas corpus form and an Application to Proceed In Forma Pauperis. You must use the forms provided with this packet and not any other version. You should keep a copy of the petition and in forma pauperis application for your own records.

When you have completed the forms, mail the originals to Clerk of the United States District Court for the Northern District of California, 450 Golden Gate Avenue, Box 36060, San Francisco, CA 94102.

NOTE: If you previously filed a petition for a writ of habeas corpus in federal court that challenged the same conviction you are challenging now and if that petition was denied or dismissed with prejudice, you must first file a motion in the United States Court of Appeals for the Ninth Circuit for an order authorizing the district court to consider this petition. You may not file a second or subsequent federal habeas petition without first obtaining such an order from the Ninth Circuit. 28 U.S.C. §§ 2244(b).

III. Filing Fees

In order for the petition to be filed, it must be accompanied by the filing fee of \$5.00. If you are unable to pay the filing fee, you may petition the court to proceed in forma pauperis. A Prisoner's Application to Proceed In Forma Pauperis form for this purpose is included in this packet. You must complete the application, sign it and declare under penalty of perjury that the facts stated therein are correct. File the application with your petition and keep a copy for your records.

IV. Petition Form

Your petition must be legibly handwritten or typewritten, and you must sign it and declare under penalty of perjury that the facts stated in it are correct. Read the entire petition form before answering any questions. You will note that brief explanatory comments appear throughout the form. Read these carefully before you answer the questions because they are intended to help you fill out the petition as well as ensure that you file your petition in the proper court.
